

RETIREMENT

Peter Doddrell

Practice Director

B. Sc Env D, B. Arch, RAIA
Architect

As one of the founding directors of PMDL it has been my privilege, over the past twenty four years, to work with a group of fantastic fellow directors, team members, consultants and most especially clients. It has been an exciting, challenging and comprehensively rewarding journey.

It is now time for me to change my focus and retire from PMDL, effective the end of March 2018.

I look forward to the continuing evolution and success of PMDL.

Thank you all and hopefully we will all stay in touch.
